

# SPIE Asia

( Student Chapters )

**Date: 31-06-2008 to 02-07-08**

Dear SPIE member,

It's our pleasure to announce SPIE Students Chapters Conference which will be held in Singapore this year (June 30-July 2, 2008). This kind of student conference is being organized for the first time in Asia. We hope to have a good interaction between SPIE student chapters. This conference will be conducted along with the "International Symposium on Laser Metrology, June 30-July 2, 2008, Singapore (<http://www.lm2008.org>)".

We would like to invite you or any one of your chapter's committee members to attend this conference and have a good interaction with Asian chapter members about your outreach activities and other related stuff. Some companies, working in Optics, are also participating in the conference and they are interested in having a session with students for recruitment process.

We also request you to submit your research work to "International Symposium on Laser Metrology, (June 30-July 2, 2008, Singapore ( <http://www.lm2008.org> )", (submit abstract online, due date January 31, 2008 ). This submission will provide an additional advantage of publishing your research work during the SPIE Asia student chapters meeting.

Looking forward to meet you in Singapore.

## Highlights

- ◆ Interactive session with Dr. Kevin Harding and Prof. Asundi
- ◆ Career related talks by local companies
- ◆ Short Presentation by each chapter about their activities
- ◆ A visit to a tourist spot in Singapore followed by Dinner.
