Membership—Immediate Benefits
Join IS&T or SPIE today and realize an immediate savings on registration for this conference. Check the box by the Membership category you choose, enter the amount of your dues, and register at member rates.

Conference Registration
To determine your fees consider the following:
- If you are a Member of IS&T or SPIE, or if you join now, use the prices in the left column.
- If you are part of the technical program (i.e., author, session chair, program committee member) at this conference, use the prices under that heading.
- Select your Proceedings volume or CD. Full descriptions are available at www.electronicimaging.org. Taxes and shipping are included in your registration fees.

Courses
See the course descriptions at www.electronicimaging.org to determine prices. Fill in the course number (e.g., SC078) and the price for each course for which you register. IS&T/SPIE Members receive substantial discounts. Full time students may take a 50% discount on course registration. Proof of full-time student status must be provided with registration. Course registration is independent of conference registration.

Additional Proceedings/CD-Only Orders
You can purchase additional Proceedings Volumes and Conference Proceedings on CD (besides those already included in your registration fee). Take advantage of the special prepublication prices offered to attendees. If you can’t attend, you can still receive the special prices. Fill in the item number(s) and price(s) you wish to order. Figure your shipping costs and taxes (below) and transfer these numbers to the registration form at right.

Tax and Shipping for Proceedings and CDs
Taxes: CA, FL, and WA state residents add applicable sales tax; Canadian residents add 7% GST
Shipping (print Proceedings only):
add 5% in N. America or 10% outside N. America

Payment Method
This form will NOT be processed if payment is not included or if your signature is not included when paying by credit card. Please complete all information.
