San Diego Trolley and Busses

The San Diego Trolley is known for its reliability, safety, and convenience. Often called San Diego's "moving landmark", the Trolley is also a fun way to get around, whether commuting to work, traveling to the International Border, or heading to Centre City's shopping, restaurants, harbor and historic attractions. The San Diego Trolley now serves historic Old Town, California's birthplace, as well as Mission Valley, Fashion Valley, and Qualcomm Stadium at Jack Murphy Field. Trolley cars are red, and they travel above ground on light rail lines. If attendees purchase Day Tripper Passes from the Transit estore on-line before their arrival date, they can then use the Trolley system (Bus 992 from the airport to the America Plaza Trolley Station) to their hotel, and to and from the convention center for unlimited rides at one flat rate. The trolley cash fare in the downtown zone is \$1.25* one way, and more for trips outside the downtown zone. *Downtown San Diego cash fare allows unlimited rides (including round trips) within the Center City area only for two-hours from the time of ticket purchase. Senior/Disabled (any distance) \$1.00, one way.

The trolley route downtown (Orange Line) arrives at each stop just a few minutes apart. It takes 20 minutes to do the entire circle downtown, but if you don't want to go all the way to Gillespie (end of Orange Line), get off midway and catch the trolley going back. If you get on at the Convention Center Stop, the signage on the trolley reads 'Gillespie'. The trolley will head west wrapping around the downtown area - however, in order to stay in the downtown area without going all the way to Gillespie, get off at 12th & Commercial and walk around the building there, to get back on the trolley heading in the reverse direction back to the Convention Center; otherwise, past 12th & Commercial, the Orange Line heads away from downtown core to Gillespie before it begins to come back.

Each trolley car comes every 15 minutes.

The fare for downtown, unlimited rides is \$1.25 for two hours (subject to change). Your ticket is stamped with the time when you purchase it and you have 2 hours from that time to use that \$1.25 ticket.

For additional information, call 619-233-3004 for Customer Service, San Diego Trolley.

Trolley Tickets are good for travel for two hours from the time of validation and may be used to travel until the expiration time stamped on the ticket. Day Tripper Passes (for 2 to 4 days) provide unlimited Trolley and bus use on day(s) valid, and cost \$5.00 for one-day, \$9 for two days, \$12 for 3 days and \$15 for 4 days. Day Tripper passes can be purchased at Trolley Station ticket vendomats, or in advance via the Transit eStore. Fares are subject to change at any time.
