

BOOTH STAFF REGISTRATION

Badges are required for everyone entering the exhibit hall. All attendees, including Booth Staff, must register themselves via the event Registration page on SPIE.org.

Included with Booth Staff registration

- Entry into the exhibit hall before, during, and after exhibit hall hours.
- Entry into the welcome reception.

Register as Booth Staff

On the Registration Type page, click **Booth Staff**.

Enter in **your exhibiting company name** and select it from the drop-down list.*

Click **Continue**.

Follow the remaining prompts for your contact information, onsite information, and add-ons.

The exhibiting company that you choose from the drop-down list is where your scanned leads with **SPIE Lead Retrieval will be saved.*

TIPS:

If you are also purchasing a conference registration, click Full Conference. You can register for both at the same time.

If you are purchasing a course, you can do so in the Add-on section.

If your company exhibits at Photonics West, as well as BIOS Expo or Quantum West Expo, register for Photonics West only. One badge is good for all three events.
