Showcase your solutions at the UK's premier exhibition

Make plans now to meet your customers in person, build on existing partnerships, and establish new prospects at the Manchester Central Convention Complex in Manchester.

If your business supplies components, instruments and systems or is involved in the generation of photonics, optical coatings, or semiconductor detector developments or contracts service to the photonics, laser, optical, or vacuum industry, your opportunity to generate new business is at Photonex 2024.

Buyers from the UK and Europe are attending to see your products and benefit from your expertise.

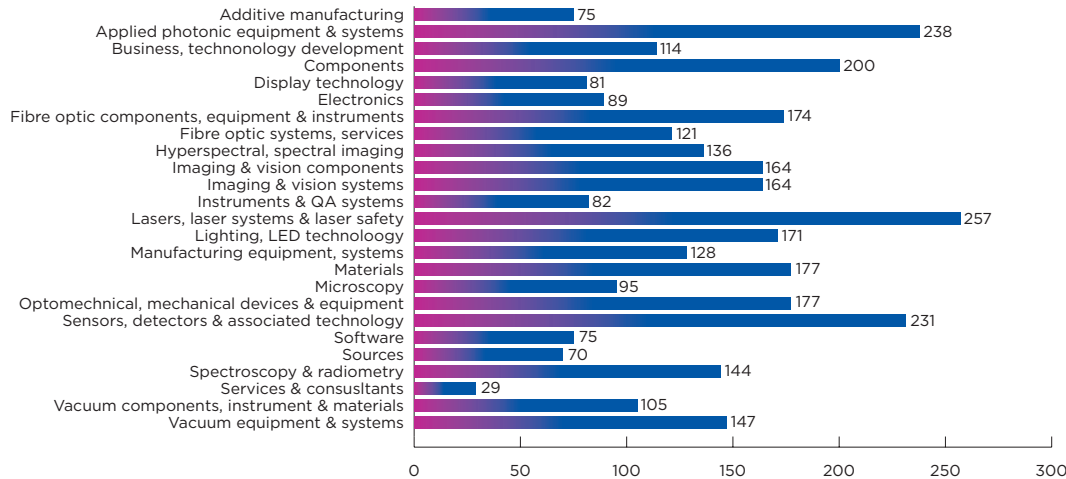

Connect with your key audience

SPIE Photonex brings the whole supply chain together under one roof. Attendees are leading scientists, engineers, programme managers and policy makers from the UK, Europe and the global community.

70+ companies
700+ attendees

“Photonex is a key event for Aerotech. We enjoy meeting existing and new customers. Face-to-face is a key way to get the message across about our product offering.”
-Derrick Jepson
Aerotech Ltd.

Attendee interest areas:

Hear insights and predictions from industry experts

Presentations on technology advancements will showcase opportunities and achievements in the UK and Europe.

Make SPIE Photonex part of your 2024 sales and marketing plan
